

# Research Infrastructures (RIs) - Energy Industry Meeting: Improving Industry Usage of RIs

29 April 2021, Online

## Program

9.30 - 9.35	Welcome by CERIC Executive Director, Jana Kolar
9.35 - 9.50	<a href="#">CERIC-ERIC</a> " <i>Commercial access to large research infrastructures</i> ". Angela Zennaro, Senior Industrial Liaison & Technology Transfer Officer
9.50 - 10.05	<a href="#">ASG Superconductors</a> , " <i>Collaborations with research infrastructures</i> ". Alberto Ansaldo, Research Manager
10.05 - 10.20	<a href="#">Elettra Sincrotrone</a> , " <i>Success stories of industry access. Highlights on energy sector</i> ". Marco Peloi, Head of Industrial Liaison Office.
10.20 - 10.35	<a href="#">SOLIDpower</a> , " <i>Research and development collaborations. Advantages and gaps to overcome</i> ". Dario Montinaro, Materials & Process Manager
10.35 - 10.50	<a href="#">LEANCAT</a> , " <i>Technology and potential needs of companies working in fuel cell business for advanced analytical tools</i> ". Prof. Vladimir Matolin, CEO and Co-owner
10.50 - 11.05	Break
11.05 - 11.20	<a href="#">Charles University in Prague</a> , " <i>Success stories of industry access, highlights and advantages for industry</i> ". Hana Kosova, Director of the Centre for Knowledge and Technology Transfer.
11.20 - 11.35	<a href="#">Industrie De Nora</a> , " <i>Stories of cooperation in Research: bridges and gaps between academia and applied technology</i> ". Anna Ramunni, AR & D Scientist
11.35 - 11.50	<a href="#">Umicore</a> , " <i>Relationship with research infrastructure, strength and barriers from real cases</i> ". Pierre-Etienne Cabelguen, Incubation Program Manager
11.50 - 12.05	<a href="#">CERIC-ERIC</a> " <i>New of opportunities of access for industry</i> ". Jana Kolar, CERIC Executive director
12.05 - 12.25	" <i>Open Discussion: How to improve industry usage of research infrastructures</i> ". Moderator: Angela Zennaro, Senior Industrial Liaison & Technology Transfer Officer at CERIC
12.25 - 12.30	Closing Remarks
