

ACCELERATE Parallel Session

SYNERGI 2018 - SYNchrotron and NEutron Radiation Go Industrial

NEMO Science Museum – Amsterdam

08 March 2018

15.00	Dr. Maurizio Polentarutti (Elettra Sincrotrone Trieste): Analytics for Science and Industry ➔
15.25	Dr. Tamas Belgya (Hungarian Academy of Sciences): Analytics by Neutron Beams ➔
15.50	Dr. Mateusz Wojtaszek (National Synchrotron Radiation Centre SOLARIS): Possibilities for Future Collaborations with the Industry ➔
16.15	Dr. Heinz Amenitsch (Graz University of Technology): Scattering of light and X-rays: Revealing insights of nanostructures <i>in situ</i> and in-operando ➔
16.40 – 17.00	Discussion and conclusion
